

To God Be The Glory

Suzanne Hanna / Nathan Jess

Key: Eb

Intro

| Ab | Eb Gm | (x2)

Verse 1

No eye has seen, no ear has heard
All You have planned, what lies before
But this we know, the Word is true
For those who love, there's more in You

Verse 2

Beyond the past, and all we see
Your Spirit's moving, the time is here
For restoration, to dream again
Lord send revival and healing rain

Chorus

To God be the glory on the earth
To God be the glory in the church
Let every generation praise the Risen King
To God be the glory on the earth
To God be the glory in the church
Let every generation praise the Risen King

Verse 3

Build Your church, prepare Your bride
Let the light of glory shine
A people called out, we will arise
To raise an anthem, to lift a cry

Bridge

Over the nations, we lift the cross
Crying for mercy, the broken and the lost
Stir in our hearts, Lord, passion again
To lift the cross high over our land (x2)
